

Look for the FREE shuttle stops where a Cable Car will drop you off at different locations for easy access to sampling locations.

Several participating stores are offering great discounts or raffles during the event. Stop off at each location and drop in your name and you could be a winner!

Look for Balloons in front of Participating Businesses listed on map to sample wine, finger foods & special treats.

DO NOT leave businesses with wine in your glass- it is a permit violation and can prevent the event from occurring again!

Polk Street SUMMER WINE WALK
